Master Services Agreement

Between Brightleaf Analytics Ltd (Provider) and Oakridge Property Group (Client)

1. Services

The Provider will deliver the analytics platform and related services described in each Order Form. Each Order Form forms part of this Agreement.

2. Term

This Agreement starts on 1 February 2026 and continues for an initial term of 24 months. It renews automatically for successive 12-month periods unless either party gives notice of non-renewal at least 60 days before the end of the current term.

3. Fees and payment

The Client will pay the fees set out in each Order Form. Invoices are issued monthly in advance and are payable within 30 days of the invoice date.

Late payments accrue interest at 1.5% per month on the overdue amount. The Provider may suspend the services if any undisputed invoice remains unpaid for more than 45 days after written notice.

Fees may be increased once per year with at least 90 days written notice. Any increase is capped at 5% of the fees for the previous 12 months.

4. Service levels

The Provider guarantees 99.9% monthly availability of the production platform, excluding scheduled maintenance announced at least 48 hours in advance.

If availability falls below 99.9% in a calendar month, the Client receives a service credit of 10% of that month's fees. If availability falls below 99.0%, the service credit is 25%. Service credits must be claimed within 30 days and are the Client's sole remedy for availability failures.

Priority 1 incidents are acknowledged within 1 hour, 24 hours a day, 7 days a week. Priority 2 incidents are acknowledged within 4 business hours.

5. Data protection

The Provider processes personal data only on the Client's documented instructions and in accordance with the Data Processing Addendum. All Client data is stored in data centres located in the European Union.

6. Termination

Either party may terminate this Agreement for convenience by giving 90 days written notice, effective no earlier than the end of the initial term.

Either party may terminate immediately by written notice if the other party commits a material breach that is not remedied within 30 days of receiving notice of the breach.

On termination, the Provider will make the Client data available for export for 30 days, after which it will be deleted within a further 30 days.

7. Limitation of liability

Each party's total liability under this Agreement is limited to the fees paid or payable by the Client in the 12 months before the event giving rise to the claim. This limit does not apply to breaches of confidentiality, data protection obligations, or the Client's payment obligations.

8. Governing law

This Agreement is governed by the laws of England and Wales. The courts of London have exclusive jurisdiction.
